Delivery Director

Oracle Customer Success Services

Jonathan Banner

UKIE Solutions Manager

Aug 14, 2026

Who am I?

Key Takeaways

Adaptable & Growth Mindset

Comfortable stepping into new environments, learning quickly and continuously looking for ways to improve.

Relationship Builder

Strong network and a track record of building trusted internal/external relationships.

Leadership / Management

20+ years in leadership positions in IT/consulting organisations.

Forecasting, drive growth, build (shrink) teams, escalations, program sponsors.

IC1->IC5. Managing across EMEA.

Ladies Ice hockey team!

Oracle Experience

13 years in Oracle Consulting across CoE, Region, consulting and management.

A strong network across Oracle globally.

Breadth of Experience

Experience spanning technology, consulting, product development, customer engagement, sales/marketing and people leadership.

Management Experience

2002-2006

**Petresco International | Cooper
Cameron**

Systems Developer Manager

Responsibility for the development for a suite of tools to service the project management of Oil & Gas projects to a global business.

2014-2016

Responsys | Oracle

Responsys Technical Manager

Manager of a small team (5) across EMEA delivering bespoke post implementation projects for our customers.

2020-2022

Oracle

**Consulting Senior Manager –Enterprise
CDP - Infinity**

Responsible for delivering a consulting engagement around the Oracle CDP (Unity). Define a delivery approach, a delivery SKU and go to market. Responsible for employees delivering other marketing solutions.

2025-2026

Oracle

UKIE Solutions Manager

Managing a team of Enterprise Architects, Cloud Architects and Business Adoption consultants, responsible for the application solution architecture definition for transformational projects in UKIE.

2006-2014

**Tormatrix Limited
Owner & Technical Director**

Primarily designing and building a suite (tmXsuite) of products to manage large projects. Customers were primarily Oil & Gas based companies.

Solutions included:

- Sales & CRM
- Project Correspondence
- Contract Management (Project Costing (Actuals & Budgets), Sales Order Processing, Stock Control)
- Document Management & Transmittals.
- Task Management
- Timesheets & Holidays
- Integrations to numerous accounting systems.

2016-2020

Oracle

Consulting Senior Manager – DMP | Infinity

Managed a team of consultants after the procurement of BlueKai and the Oracle Data Cloud. Managed year on year double digit growth for Adtech work, and then double-digit decline as the third-party data regulations brought the end of Oracle Data Cloud.

2022-2025

Oracle

**Consulting Senior Manager – CX
Marketing Manager**

Managed a team of consultants based across EMEA but working under the UK. Delivering against all of our CX marketing products.. Delivery manager for difficult customers Presales early in the funnel. Key product relationships.

Delivery Director

Why Me?

01

Trusted Customer Leadership

Red Bull Racing (Marketing) / Mazda (First Unity Implementation) / Premier League / SailGP.

02

Operational Control

Experience in **Forecasting** - Numerous year forecasting and reporting CX utilization (revenue). Driving utilization and growth.

03

Management Credibility

Experience in **managing** range of difference skills, abilities & personalities. Team leadership, development and growth (shrinkage)

Existing Oracle Network/Relationships

Already part of the UKIE Apps delivery management team. Existing relationships with Key Internal Stakeholders.

04

Commercial Impact

Key role in helping drive CX sales, driving bookings and revenue. Aligned on assigning and supporting EA/CA & BA resources in pre-sales opportunities

05

Innovation & Change

AI mindset. Driven the solutions team adoption. AI Success Navigator. Alignment with Craig in building and defining solution sets.

06

Portfolio Governance

And the Elephant In the Room

Managed a Portfolio of Projects

- Project sponsor for multiple projects/customers.
- Responsible for Customers retention & growth
- A key point of escalation.

Portfolio health / Reporting

- Managing and reporting (CX level not regional).

Revenue forecasting / PSRS

- Forecasting utilisation/hours (team level).
- Project Manager for a number of smaller / internal projects.

Margin / Delivery Metrics

- Worked in partnership with the PMs to deliver regular updates, drive delivery to effective margin.
- Driving sales opportunities - estimating achievable sale margins.
- Owning or collaborating in decisions on contingency usage. Customer satisfaction vs commercial growth.

Resource planning

- Responsible for resource planning for larger CX projects.
- Resource planning for Solution team allocation.

T3 approvals

- Previously held Tier 2 approvals for DMP/OMC projects (DAS).

GSC/CoE Alignment

- Held relationships with GSC for CX, Worked in the CoE.

TCM / Oracle AI Success Navigator

- Delivered to TCM. Involved in building content around AI Success Navigator.

I've spent 13 years building the breadth of experience needed to lead Oracle's delivery business. I've led people, supported sales, built customer relationships, managed delivery, and now I'm ready to bring those capabilities together to help CSS deliver even greater customer outcomes.

Initial Priorities

Delivery Director

Understand the Team

Who does what (skills)? | Personalities |
Leaders | Skill Gaps | Team challenges |
Areas to address

Support the Culture

Give team members opportunities to shine.
Increased exposure
Shout about their success.

Relationships – Earn Respect

Quick wins & build relationships (Internal &
External Stakeholders)
Protect | Support | Open doors | Deliver on
my actions.

Portfolio Review

Customer alignment. Strategic accounts.
Current delivery health, risks and forecast
position.

Governance

Establish a strong cadence around
forecasting, reporting and resource
planning. Align with current
processes.

Learning Curve

Understanding the boundaries &
mechanics of the role.
Embracing the toolsets and asks.

What is my style

- **Empower** people with clear expectations and accountability.
- **Open, Respectful, Transparent and Empathetic.**
- **Lead** from the front where necessary.
- **Relationships** are key to success.
- **Collaborative.**
- **Supportive.** Support employees, allow them to succeed.
- **Agile.** Adapt to your teams needs.

Unlocking Greater Value

Cross discipline manager

An **Opportunity** to Align Complementary Capabilities to Improve Accountability, Flexibility and Customer Outcomes.

Leadership Scalability

Existing managers could lead across a broader scope, improving resilience, flexibility, and ownership across the portfolio.

Connected Teams

Bringing PMs, EAs, CAs and BAs together. Improved collaboration, alignment and outcomes.

Evolving Delivery Expectations

AI, advisory demand and customer expectations are changing the shape of delivery.

WHY I SHOULD BE **YOUR NEXT** DELIVERY DIRECTOR!

I LEAD PEOPLE. BUILD TRUST.
CREATE VALUE FOR **CUSTOMERS AND ORACLE.**

2 DEEP ORACLE EXPERIENCE

13 YEARS AT ORACLE ACROSS COE, REGION, CONSULTING AND MANAGEMENT.

A STRONG NETWORK GLOBALLY AND TRUSTED BY THE CORE MANAGEMENT TEAM.

EXPERIENCE ACROSS MULTIPLE ROLES, PRODUCTS AND CUSTOMER ENGAGEMENTS.

3 TRUSTED RELATIONSHIP BUILDER

STRONG, LASTING RELATIONSHIPS WITH CUSTOMERS, ORACLE STAKEHOLDERS AND PARTNERS.

I BUILD TRUST, INFLUENCE AND COLLABORATION THAT OPEN DOORS AND DRIVE SUCCESS.

MY RELATIONSHIPS ARE MY **SUPERPOWER.**

1 PROVEN LEADERSHIP

20+ YEARS LEADING TEAMS AND INDIVIDUALS ACROSS IT AND CONSULTING ORGANISATIONS.

I INSPIRE TEAMS, SOLVE COMPLEX CHALLENGES AND DELIVER EXCEPTIONAL OUTCOMES.

I DEVELOP PEOPLE, BUILD HIGH PERFORMING TEAMS AND DRIVE RESULTS.

4 BROAD AND ADAPTABLE EXPERIENCE

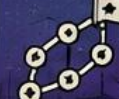

TECHNICAL
FOUNDATION

CONSULTING &
DELIVERY LEADERSHIP

TRANSFORMATION
LEADERSHIP

STRATEGIC
EXECUTION

FROM TECHNOLOGY LEADERSHIP TO CONSULTING, CUSTOMER DELIVERY AND SOLUTIONS LEADERSHIP.

I ADAPT QUICKLY, SEE THE BIG PICTURE AND TURN STRATEGY INTO ACTION.

5 GROWTH MINDSET. FUTURE FOCUSED.

I EMBRACE CHANGE, LEARN CONTINUOUSLY AND DRIVE INNOVATION.

AI MINDSET. CONTINUOUS IMPROVEMENT.

ALWAYS LOOKING FOR A BETTER WAY TO CREATE VALUE FOR OUR CUSTOMERS AND ORACLE.

CUSTOMER
FOCUSED

COLLABORATIVE
LEADER

INNOVATIVE
THINKER

PASSIONATE ABOUT
PEOPLE AND RESULTS

"Delivery excellence isn't just about successful projects. It's about building trusted customer relationships, developing exceptional people, and helping build an organisation that consistently delivers business outcomes. That's the opportunity I see in this role."

Thank you

Jonathan Banner
